

Learn Over Payment & Security Policy

1. Accepted Payment Methods

- Payments may be made securely via the official Learn Over website checkout system.
- Direct bank deposit is also accepted.
- Learn Over does not accept or request cash payments through third parties.

2. Security of Online Payments

- All online transactions are processed through trusted third-party payment providers using industry-standard encryption.
- Learn Over does not collect or store your credit card or debit card details.
- Parents and students can be assured that sensitive payment information remains private and secure at all times.

3. Fraud Prevention

- Learn Over will never send representatives to collect cash.
- If you receive such a request, please report it immediately to our support team.
- Suspicious transactions may be flagged for verification to protect families from fraud.

4. Payment Confirmation

- A receipt or confirmation will be sent via email or WhatsApp once payment has been received and verified.
- For bank deposits, proof of payment must be submitted before access is granted.

5. Refunds & Cancellations

Refunds and cancellations are governed separately under the Refund & Cancellation Policy.
