

Learn Over Refund & Cancellation Policy

1. Purpose

This policy outlines the conditions under which payments made to Learn Over are refundable or non-refundable. As Learn Over provides digital educational content and services, access begins immediately after purchase. We aim to balance fairness to families with the need to protect the integrity of our digital platform.

2. Day Passes

Day Passes are non-refundable. They provide immediate access to the full library of lessons for 24 hours. Once access is granted, the user may view any number of lessons, and therefore no refund can be issued.

3. Weekly, Monthly, and Quarterly Plans

- All subscriptions are non-refundable once access has been granted. Because users may view any lesson, at any frequency, throughout the subscription period, refunds cannot be provided after activation.
- Subscriptions may be cancelled at any time to stop future billing. However, cancellation does not remove access immediately — the student will retain access until the end of the paid period.

4. Group Packages

- Group discounts apply only at the time of registration.
- Group plans are non-refundable once access is granted, as all participating accounts have immediate full access to the library of lessons.

5. Technical Issues

- If access is interrupted due to a verified technical fault on Learn Over's side, a credit or extension may be offered.
- Refunds are not issued for personal technical difficulties (e.g., internet problems, device issues).

6. Payment Methods

All payments must be made through the official Learn Over website or direct bank deposit. Learn Over does not request or accept cash payments through third parties.
